DRA Imaging/New Image new facility in LaGrangeville

DRA Imaging has expanded their imaging services to LaGrange! Their expanded services now include digital mammography with CAD, bone densitometry, digital X-Ray ultrasound and EVLT. In these trying economic times, it is wonderful to see that DRA Imaging continues to support our community by bringing quality patient care closer to home. Along

with this additional center, DRA Imaging introduced a new and exciting venture with New Image – a full-service medical spa offering a variety of aesthetic services, massage therapy, laser treatments and the latest innovation in laser assisted body contouring – smartlipo. All these services are directed by interventional radiologists focused on delivering the same quality care you would expect from an affiliate of DRA. Contact DRA Imaging at 845-454-4700 and New Image at 845-790-5800 - or visit them at their fabulous new Taconic Crossings location : 1351 Route 55 in LaGrangeville
